### Project Description

According to bank documents, the TA was approved in response to the Federated States of Micronesia (FSM)'s request to prepare a National Tourism Sector Development Framework and State Government Tourism Investment Plans to pursue an economic growth strategy based on the sustainable management of FSM's own natural and human resource assets, particularly tourism. The TA aimed to have an overarching framework to set sectoral goals and a state-specific tourism strategy to facilitate tourism-led economic growth.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
