Project Description

According to ADB website, the project improves basic education by implementing a new strategy to lift access to quality education through a new and innovative approach to teacher recruitment and training recruitment from a different, more talented pool of candidates, coupled with pre- and in-service training of teachers enabled by improved teaching methods and innovative use of technology in developing and training teachers. ADB assistance will support the project by financing the:

1. Development and implementation of a Summer Institute where the TFP Teaching Fellows are trained in maximizing the use of innovative technologies in the classroom
2. Development of online teaching materials and modules, as well as an IT based in-service training and support mechanism or intranet for Teacher Fellows
3. Comprehensive monitoring and evaluating system established

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
