Project Description

This project provides guidance in transportation development's design, planning, and policy. This includes establishment of the Sindh Mass Transit Company and Sindh Mass Transit Coordination Authority, assessment and execution of public-private partnerships, and required research and actions needed to meet regulations for the BRT line and related infrastructure. Additionally, it provides support for financial strategy planning.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
