Energy Supply Improvement Investment Program (Tranche 7)

Early Warning System

Energy Supply Improvement Investment Program (Tranche 7)

ADB-47282-009

Quick Facts

Countries	Afghanistan
Financial Institutions	Asian Development Bank (ADB)
Status	Proposed
Bank Risk Rating	U
Borrower	Government
Sectors	Construction, Energy
Investment Type(s)	Grant
Investment Amount (USD)	$ 72.80 million
Grant Amount (USD)	$ 72.80 million
Project Cost (USD)	$ 78.00 million

Project Description

Under this project, ADBprovides support for extention the national grid into Shindand District of Herat Province and the Farah District of Farah Province and construct new distribution networks in two districts.

PROJECT OBJECTIVES

The project is aligned with ADB's Strategy 2030's operational cluster 3 on infrastructure and economic connectivity, and supports four operational priorities:

(i) addressing remaining poverty and reducing inequalities;

(ii) accelerating progress in gender equality;

(iii) tackling climate change, building climate and disaster resilience, and enhancing environmental sustainability;

(iv) fostering regional cooperation and integration. It is aligned with ADB's country partnership strategy for Afghanistan, 2017-2021.

IMPACT & OUTCOME

Access to sustainable energy supplies across Afghanistan improved (National Energy Supply Program). Increased imported and indigenous grid power supplies to western Afghanistan

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
