Strengthening the Implementation of the National Development Strategy

### **Project Description**

According to ADB website, the TA supports the further implementation of the National Development Strategy (NDS) 2010-2020 which is the first long term development strategy adopted by Solomon Islands. The NDS was the product of nationwide consultations and has enjoyed the support of successive government since its adoption in 2010. The expected impact of the proposed TA is effective policy and strategy implementation. The expected outcome is improved public expenditure management, planning, and reporting.

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
