Project Description

The proposed Khyber Pakhtunkhwa Provincial highways Rehabilitation Project (project) in the Province of Khyber Pakhtunkhwa (KPK). The project will (a) rehabilitate approximately 300 km of provincial highways throughout KPK; and (b) strengthen the capacity of PKHA in planning, maintenance and highway safety. The PPTA will carry out a due diligence of the detailed design carried out by Khyber Pakhtunkhwa Highways Authority (PKHA) for the entire provincial highways and will complete technical, economic, financial, social, and environmental due diligence in accordance with ADB's requirements for the 300 km of provincial highways to be financed by ADB. The PPTA will also assist the executing agency (EA) in developing required documentation for country resource allocation including PC-1 for submission to the Planning Commission. The cost estimate of each package will be prepared by the PPTA consultant.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
