Project Description

According to ADB website, the TA will assist the NHAR Provincial Government and five local governments in formulating strategies and policies for low-carbon transport. The TA is consistent with ADB's country partnership strategy for the PRC for 2011-2015 which support the government's efforts to foster a cleaner and more sustainable growth process (Pillar 2) by supporting the development of low-carbon transport systems, particularly in public transport. The TA is included in the PRC Country Operations Business Plan 2014-2016.

According to ADB documents, the safeguard categorization is not applicable.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
