### Project Description

The project will support poverty-focused rural road development and rural road safety and sustainability in the lagging Liupanshan area of Ningxia Hui Autonomous Region (NHAR) under the nationwide initiative.<sup>2</sup> The project is expected to increase rural incomes and reduce poverty in the Liupanshan area, and includes an impact evaluation of poverty reduction. The project will align government and development partner support with the national poverty alleviation initiative and the NHAR 13th Five-Year Plan<sup>3</sup>—resulting in poverty-focused improvement of the rural transport network, improved road safety and maintenance practice, and strengthened institutional capacity

#### OUTPUT

1. Priority rural roads rehabilitated and upgraded
2. Rural road safety and sustainability enhanced
3. Impact evaluation conducted and project implementation capacity improved

#### IMPACT

Rural incomes in the Liupanshan area increased  
Incidence of poverty in the Liupanshan area reduced

#### OUTCOME

Rural transport network in Liupanshan improved

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
