Project Description

According to ADB website, the proposed TA is in line with ADB's Interim Country Partnership Strategy for Mongolia, 2014_2016 to support the government's overarching strategic goal of inclusive and environmentally sustainable growth, and in particular to help Mongolia adapt to the impacts of climate change by supporting the efficient use and sustainable management of natural resources. Additionally, it will contribute to ADB's Strategy 2020's drivers of change, private sector development, gender equity, and partnerships including cooperation with civil society. The proposed TA is included in the country operations business plan, 2014-2016.

The expected impact of the TA will be sustainable livelihood and increased resilience of forest ecosystems. The outcome will be sustainable forest management practices developed and implemented in five northeastern soums. Safeguard categorization is not applicable.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
