Project Description

The project funds stages of physical investments into the high-voltage transmission system by augmenting and expanding transmission lines, substations, and supporting infrastructure. It also funds investments into financial management, regulatory compliance, and procurement capacity of the National Transmission and Despatch Company.

Investment Description

- Asian Development Bank (ADB)

Contact Information

Asian Development Bank
6 ADB Avenue,
Mandaluyong City 1550, Philippines

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
