## **Project Description**

According to ADB website, the TA objective is to support the government to deepen policy reforms and accelerate capacity building in areas prioritized in the PRC's reform agenda. The TA is consistent with the strategic pillar of inclusive and environmentally sustainable growth, highlighted in ADB's PRC country partnership strategy, 2011-2015 and aligned with the Midterm Review of Strategy 2020. The TA will provide policy recommendations and knowledge services to promote the PRC's inclusive development and environmentally sustainable growth, develop government capacities at central and local levels, and increase ADB's policy impact and operational efficiency. The TA will support the implementation of the PRC's 12th and 13th five-year plans and reinforce the PRC-ADB partnership. The TA has two components: 1. Policy Advice and 2. Capacity Building. Also, based on bank documents, safeguard categorization is not applicable.

**ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
