Project Description

This project finances economic and infrastructural integration of urban centers in border areas for regional corridor development and cooperation in the Greater Mekong Subregion via three key activities:

i) A scoping study of potential border economic zone development;

ii) A comprehensive institutional and capacity development program; and

iii) A flagship program for the fourth Greater Mekong Subregion Corridor Towns Development Project.

Investment Description

- Asian Development Bank (ADB)

This project is funded by ADB’s Technical Assistance Special Fund ($50,000) and by the People's Republic of China's Regional Cooperation and Poverty Reduction Fund, administered by ADB ($400,000).

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
