## Project Description

According to bank documents, the TA will (i) review the law implementation procedures for identifying gaps and improvements; (ii) study the national road fund revenue generation methods and the level of road fees or charges; and (iii) assess the organizational capacity of the MRTD’s road sectordepartments, the RTDC, the Mongolian Road Association (MRA), and road maintenance companies. Based on the results of the review, study, and assessments as well as findings from discussions and consultations with sector stakeholders, the TA aims to deliver three outputs.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
