Project Description

According to the bank website, "the proposed project will construct about 388 kilometers of rural roads to all-weather standard covering 16 priority rural development districts throughout the country. The project will also focus on improving institutional arrangements, business processes, and associated capacity building, particularly on road asset management and road safety. The proposed project will also play a catalytic role for the sustainable development of rural areas."

Investment Description

- Asian Development Bank (ADB)

Responsible ADB Division Environment, Natural Resources & Agriculture Division, SARD
Executing Agencies Dept of Local Infra Devt & Agri Roads Nepal

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
