Project Description

According to the bank website, "the investment program will improve rural connectivity in the states of Assam, Chhattisgarh, Madhya Pradesh, Odisha, and West Bengal (the investment program states), facilitating safer and more efficient access to livelihood and socioeconomic opportunities for the rural communities. It will construct all-weather rural roads for the unconnected habitations and upgrade rural roads linking to the investment program states' district centers for an aggregate length of 12,000 kilometers (km). For the investment in physical infrastructure to be effective and sustainable, the investment program will strengthen the institutional capacity of the implementing agencies on road safety and road maintenance."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
