Project Description

According to ADB website, the Government's strategy for Ho Chi Minh City (HCMC) is to develop public transport to alleviate congestion and provide better access to services and employment opportunities to all groups. A sustainable public transport system will help address growing pressures on transport demand and the environment in high-density areas, to improve the quality of life, the working environment, the ability to attract investment in the area and access to services and will therefore help to reduce poverty in HCMC.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
