Sectors	Transport
Investment Type(s)	Grant, Loan
Investment Amount (USD)	$ 13.22 million
Loan Amount (USD)	$ 6.61 million
Grant Amount (USD)	$ 6.61 million

Project Description

According to ADB website, ADB is helping Solomon Islands rebuild transport infrastructure damaged by flash floods in 2014. The project will help fund construction of vital infrastructure designed to be more resilient against disasters and other climate threats. It will restore bridges, stream crossings, culverts, and bridge approach roads.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
