Project Description

This project finances support for micro and small enterprise development and increased employment and economic opportunities for the poor and women selling crafts and local food to tourists and residents in the East-West Economic Corridor. This includes access technical training, skills in business management, appropriate technology, finance, and markets to build competitive and sustainable businesses and contribute to reducing household poverty.

Investment Description

- Asian Development Bank (ADB)

This project is funded by the Asian Development Bank's Japan Fund for Poverty Reduction.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
