### **Project Description**

This project provides technical assistance to the review of the constraints of the financial sector of the government of Pakistan, specifically for debt, infrastructure investment, and small and medium enterprises. It also creates an action plan by mapping proposed outputs, coordinating with donors for a resource allocation plan, and convening a consultative group, and identifies and coordinates funding and preparation for future ADB assistance.

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
