Project Description

The proposed TA is aligned with the Philippine Development Plan (PDP) 2011- 2016, and will contribute to meeting the targeted investment rate, including public and private spending in infrastructure. The outcome will be improved national government capacity to undertake PPP projects. The TA will achieve its outcome through four outputs: (i) capacity of national government PPP implementing agencies strengthened; (ii) performance of the PPP Center and other national government agencies enhanced; (iii) long-term infrastructure financing mechanisms and tools developed; and (iv) well-structured bankable national PPP projects developed and implemented.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
