## Project Description

The government of Timor-Leste has requested ADB to continue to support its preparations for regional economic integration, with a focus on achieving full membership in the Association of Southeast Asian Nations (ASEAN). A new capacity development Technical Assistance (TA) project was included in the nonlending pipeline of the country operations business plan, 2015–2017 The TA will enable a smooth continuation of ADB support following completion of the current project.

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
