Project Description

CONSULTING SERVICES

Two consulting firms will be recruited to undertake project due diligence, prepare feasibility reports required by the government, and draft bidding documents. One of the consulting firms will be recruited using quality- and cost-based selection method, with standard technical proposal. Another consulting firm will be hired to prepare the environmental impact assessment report and social safeguard documents, using quality-based selection method.

An individual national consultant will be hired to assess social development and gender aspects of the project, and to support the executing agency to recruit project implementation consultant.

Investment Description

- Asian Development Bank (ADB)

Contact Information

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
