Project Description

This project provides funding to the Republic of Kazakhstan to support the resilience of micro, small and medium-sized enterprises. This project will provide local currency credit to sustain operations of and employment by MSMEs during the current economic slowdown. The technical assistance attached to the loan will strengthen credit origination and management of selected participating financial institutions to better serve MSMEs.

Early Warning System Project Analysis

As stated by the ADB:

The project has been categorized as financial intermediary (FI) with respect to environment safeguards;

The project has been categorized as FI (treated as C) in relation to involuntary resettlement;

The project has been categorized as FI (treated as C) in relation to indigenous peoples.

Investment Description

- Asian Development Bank (ADB)

This project involves a US\$0.5 million technical assistance grant.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Damu Entrepreneurship Development Fund \(Damu\)](#) (Financial Intermediary)

Private Actors Description

As stated on the company's website, Damu Entrepreneurship Development Fund JSC's mission is to play an active role in the sustainable development of micro, small and medium enterprises (MSMEs) in Kazakhstan, through the implementation of comprehensive and effective support tools.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at:

<http://www.adb.org/site/accountability-mechanism/main>
