Project Description

According to ADB website, the program will support the government in reviewing, updating, consolidating, and implementing its school seismic safety improvement program. The impact of the program will be improved seismic safety. The program scope includes:

- 1. Seismic strengthening and renovating priority school buildings
- 2. Improving seismic safety planning and management competencies; and
- 3. Strengthening program management, implementation, and monitoring capacity.

The bank risk rating is not disclosed.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
