## **Project Description**

According to the bank's website, the propose project "will support water supply improvement in two cities of Kochi and Thiruvananthapuram through rebuilding resilient and sustainable infrastructure under the Rebuild Kerala Development Program (RKDP). The project will complement ongoing Rebuild Kerala Initiative of the Government of Kerala (GOK) post flood disaster of 2018.

KUWSIP will support in: (i) improving efficiency of water distribution network in Kochi, (ii) refurbishment and upgradation of the water treatment plants in Kochi and Thiruvananthapuram to meet the newer Indian drinking water standards, (iii) rehabilitation of water pumping stations in Kochi and Thiruvananthapuram to improve efficiency, and (iv) upgradation of institutional capacity to support the proposed interventions and to ensure sustainable benefits."

Executing Agencies  
Water Resources Department, Government of Kerala  
Main Block, Secretariat, Thiruvananthapuram

### **ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
