# Early Warning System Tamil Nadu Urban Flagship Investment Program - Tranche 1

ADB-49107-004

### **Project Description**

According to the bank website, "The program will develop priority water supply, sewage and drainage infrastructure in at least 10 cities located within strategic industrial corridors of Tamil Nadu. It will support innovative pilots, including India's first solar-powered sewage treatment plant (STP) to offset greenhouse gas emissions and enhance operational efficiency; strengthen urban governance; and build capacity of state and local institutions to enhance services delivery, environmental sustainability, and climate resilience."

ADB-49107-004

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
