Project Cost (USD)	$ 1.00 million

Project Description

The Government of Mongolia has requested the ADB to finance TA for Development of Road Safety Policy and Action Plan. The main objective of the TA is to improve road safety management and operations to enhance quality of life and to support sustainable socioeconomic development in Mongolia. The TA is included in the Mongolia Country Operation Business Plan 2015. The TA will support planned and ongoing loan projects in Mongolia by intensifying road safety improvement and may generate road safety lending projects in the future.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
