Project Description

According to ADB website, the Accelerating Infrastructure Delivery through Better Engineering Services Project (ESP) will help meet the infrastructure development objectives of the Strategic Plan, 2015 2019, of Indonesia's Ministry of Public Works and Housing (MPWH). ESP will strengthen the MPWH's capacity to efficiently design and implement its increased public investment program by (i) improving the quality and timely start-up of infrastructure projects, and (ii) strengthening the MPWH's public investment management systems. The impact will be the attainment of the infrastructure objectives of the MPWH's Strategic Plan, 2015 2019. The outcome will be strengthened capacity of MPWH's DGH, DGHS, and DGWR to efficiently design and implement MPWH's public investment program. ESP's outputs are:

Output 1: Improved quality and timely start-up of infrastructure projects. This output will support the preparation, design, and delivery of up to 40 projects in irrigation, flood management, bulk water, dam, water supply and sanitation, and national road sectors. These infrastructure projects are to be mainly financed from the government budget.

Output 2: Strengthened capacity in public investment management. This output will strengthen the MPWH's capacity in master planning, survey methodologies and design standards, value engineering, technical and financial assessments during construction, use of multi-year contracting for civil works, asset management, safeguards and procurement systems.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
