Project Description

According to ADB website, the TA will both support project preparation and develop the capacity for future PPP implementation. The TA will complement other assistance provided by ADB to strengthen the legal, policy, and institutional framework for PPP.

The TA will provide technical, legal, financial, and negotiation support, and other specialist support (insurance, tax advice, translator, data room management, etc) for the TAS transactions to conduct diligence, prepare documentation (including concession agreement and other agreements), financial modeling, assist the timely completion of contract negotiations, and other activities as required by the TAS process. The outputs will focus on specific requirements that the clients must address to formulate bankable project agreements, and will provide the information needed by the client to remain well informed throughout the PPP negotiations and achieve a balanced result.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
