Project Description

This project finances enhanced debate and policy research on the development challenges faced by Asia and the Pacific and an improved environment for policy formulation in developing member countries through support for the preparation of the flagship publication, which includes staff analyses of the macroeconomic prospects for all of Asian Development Bank’s 45 developing member countries and provides insights into the current economic issues the region faces.

Investment Description

- Asian Development Bank (ADB)

This project is financed on a grant basis by ADB’s Technical Assistance Special Fund.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
