Project Description

The TA aims to support the Government of Timor-Leste in strengthening the skills base of its human resources by improving access to quality and equity of technical education. The Timor-Leste Strategic Development Plan (SDP) 2011 -2030 recognizes education and training as key to improving life opportunities of growing numbers of young Timorese and sustaining the country's economic development goals.

The TA will contribute to the country's education sector outcomes by helping the Ministry of Education develop implementation strategies to expand skills development at secondary level. The strategy intends to equip young people with quality learning and practical work-ready skills that are relevant to labor market and community needs.

IMPACT
Increased number of technical secondary school graduates with improved practical skills and learning outcomes (National Education Strategic Plan, 2011 to 2030)

CONSULTING SERVICES
The TA will finance approximately a total of 54 person-months of consulting services, including (i) 22 person-months of international consultants and (ii) 32 person-months of national consultants.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
