ADB-49195-001

Promoting Economic Cooperation between People's Republic of China and India

Project Description

ADB and the Government of India are working together to increase economic growth and foreign direct investment between India and the People's Republic of China. The Promoting Economic Cooperation between People's Republic of China and India technical assistance program is collecting data in Gujarat and Rajasthan in order to promote investment from the People's Republic of China. The program is also organizing workshops and investment study tours, as well as setting up a website for potential investors.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
