Armenia-Georgia Border Regional Road (M6 Vanadzor-Bagratashen) Improvement Project

Project Description

This project will conduct a due diligence to determine the specific road section and loan amount to be financed by ADB for the rehabilitation of M6 highway (Vanadzor-Bagratashen). Since the existing preparation work is based on the EIB requirements, the due diligence under the this project will also cover technical, economical, safeguards, road safety, and environment impact to ensure the compliance of ADB's requirements.

Investment Description

- Asian Development Bank (ADB)
- European Investment Bank (EIB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
