## Project Description

According to the bank website, the proposed project "will support the preparation and high project readiness of the ensuing loan. The PRF will prepare the detailed feasibility study, engineering design, and procurement document; and provide assistance in procurement-related processes.

The ensuing project of MRT Line 5 (Southern Route) will comprise a total length of about 17.4 km between Gabtoli and Dasherkandi stations. The congested central area of Dhaka requires 12.8 km of underground section with 12 stations, while the remaining section will be elevated with 4 stations. The ensuing project will be considered after completing the engineering design supported by the PRF."

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
