Project Description

According to ADB website, the R-CDTA includes regional forums to discuss common interests on investment management of foreign exchange reserves; and a) workshops for country/sub-regional specific for DMCs with similar level of economic development and challenges; and/or b) thematic-based. ADB would also share its experience in and knowledge of investment management with DMCs, and collect feedback regarding client needs which will help ADB further strengthen its relevance in the region.

The impact will be enhanced foreign exchange reserve management in DMCs. The outcome will be enhanced knowledge and understanding of DMC officials on foreign exchange reserve management strategy, frameworks, and techniques. The DMC officials and/or staff who attend the forums and/or workshops will apply what they learn in their reserve management operations.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
