---

## **Project Description**

This project finances the strengthening of knowledge management through stronger institutional coordination. This includes increasing the involvement of the recently established knowledge sector and thematic groups in project development, and preparation of knowledge products and services.

---

## **Investment Description**

- Asian Development Bank (ADB)

This project is financed on a grant basis by ADB's Technical Assistance Special Fund (\$590,000 from TASF-V and \$910,000 from TASF-other sources).

**ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
