Project Description

According to ADB website, the TA will support the Ceylon Electricity Board (CEB), the implementing agency, in preparing a feasibility study, preliminary engineering design, and conducting due diligence. As part of advance contracting, PPTA consultants will assist in preparing procurement packages and relevant bidding documents for the proposed CEB wind power generation, and competitive bidding documents for private sector participation in the project. The PPTA consultants will also prepare a road map and options for private sector involvement in further developing renewable energy sources in the country.

Investment Description

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
