Early Warning System

ADB-49376-001

Achieving Food Security through Climate Resilience Dairy Value Chain Development

Quick Facts

Countries	Tajikistan
Financial Institutions	Asian Development Bank (ADB)
Status	Active
Bank Risk Rating	U
Voting Date	2016-12-09
Borrower	Republic of Tajikistan
Sectors	Agriculture and Forestry, Climate and Environment
Investment Type(s)	Grant
Investment Amount (USD)	$ 0.50 million
Project Cost (USD)	$ 0.50 million

Project Description

This project designs a food security investment project through climate resilient dairy value chain development. The ADB's strategy for this sector in Tajikistan involves improvements to agricultural productivity through adoption of climate smart technologies, and development of agricultural value chains to link farmers to markets.

Investment Description

- Asian Development Bank (ADB)

This is a technical assistance grant funded through the Technical Assistance Special Fund.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
