Project Description

According to ADB website, the Subproject 2 will provide support to DMC agencies in monitoring project performance against the key performance indicators set out in the project agreements to ensure that services are delivered in accordance with the output specification. This will also include support to the DMC during project restructuring, provided that it was not caused by the public sector default or political risk event, except in the case of political force majeure. Subproject 2 resources will be made available to DMC agencies to bolster their capacity to manage PPP contracts. Experts will be deployed to assist DMC agencies to deal with performance management concerns and efficient contract renegotiation, if warranted.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
