## Project Description

According to ADB website, the Subproject 3 will provide support to DMC agencies in carrying out reforms and improving existing legal, regulatory, institutional and other frameworks with the objective of fostering private sector participation in infrastructure projects (including public private partnership (PPP) modalities). Activities supported by the proposed subproject may include, but not be limited to, changes to legislation, policy, and regulatory frameworks; and possible use of guarantees, viability gap financing, new financing vehicles, and investment incentive schemes, development of appropriate PPP project selection criteria, staff training and market and/or stakeholder awareness.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
