Outer Island Renewable Energy Project-Additional Financing

Early Warning System

Outer Island Renewable Energy Project-Additional Financing

ADB-49450-006

Quick Facts

Countries	Tonga
Financial Institutions	Asian Development Bank (ADB)
Status	Active
Bank Risk Rating	B
Voting Date	2018-07-31
Borrower	Government of Tonga
Sectors	Energy
Investment Type(s)	Grant
Investment Amount (USD)	$ 8.88 million
Grant Amount (USD)	$ 8.88 million

Project Description

According to the bank document, the proposed additional financing will support: (i) meeting cost overruns due to the higher bid price for the solar generation turnkey package to be implemented in the four outer islands of Ha'api and Niuatoputapu; (ii) meeting financing gaps for building a mini-grid system in the island of Niuatoputapu; and (iii) the scaling up of the current project by upgrading the existing electric service line in the four outer islands of Ha'apai.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
