Financial Institutions	Asian Development Bank (ADB)
Status	Active
Bank Risk Rating	U
Voting Date	2021-10-25
Sectors	Energy, Technical Cooperation
Investment Type(s)	Fund
Investment Amount (USD)	\$ 0.60 million

Project Description

According to the bank's website, "The knowledge and support technical assistance (TA) will support to operationalize the Office of Pacific Energy Regulators Alliance (OPERA) through capacity building and knowledge product to enable the Asian Development Bank (ADB) to strengthen innovation in Pacific energy reforms and meet the emerging requests for analytical support from DMCs. The TA will focus on development and adoption of regulation reforms to support new technologies to decarbonize energy and achieving Pacific NDCs targets. The TA will assist with the preparation of an innovative regulation framework embed the latest policy dialog on creating incentive mechanism for attracting private participation in energy sector in Pacific. The TA will raise awareness of the emerging regional issues and challenges and use of public private partnership (PPP) transparency framework to provide more efficient and transparently regulated sector."

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
