Status	Active
Bank Risk Rating	U
Voting Date	2016-10-07
Borrower	Government of Kiribati
Sectors	Water and Sanitation
Project Cost (USD)	$ 0.95 million

Project Description

The Government of Kiribati has requested the Asian Development Bank (ADB) for a project preparatory technical assistance (TA) to prepare the South Tarawa Water Supply Project. The TA is required to: (i) assist the Public Utilities Board (PUB) and the Ministry of Public Works and Utilities (MPWU) to plan, design and prioritize investments to improve water supply services in South Tarawa; (ii) assess technical suitability, economic, financial and social viability, capacity and institutional issues, climate change resilience and environmental and social soundness of the project, and (iii) identify measures to strengthen project implementation capacity of PUB and MPWU.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
