Project Description

The impact of the TA will be poverty alleviation and improvement in rural livelihoods in the Liupanshan area in Ningxia Hui Autonomous Region (NHAR). The outcome will be improved knowledge and capacity for planning and implementing poverty reduction measures in the Liupanshan area in NHAR. This will be measured by a circular issued by the Ningxia Department of Finance (NDOF), which disseminates the recommended measures from the studies on enhancing poverty reduction in the Liupanshan area. The TA will achieve the outcome through three outputs: (i) conduct of a study on local poverty status and poverty reduction programs, (ii) conduct of value chain analysis of selected enterprises involved in tourism and local products, and (iii) enhanced knowledge on tourism and local products, and poverty reduction.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
