### **Project Description**

This project is presented as a comprehensive skills strategy for the Republic of Uzbekistan. At the policy level, this project will create an inter-ministerial working system for forecasting skills needs and the contribution of the education sector to a balanced and inclusive labor market. At the practical level, this project will develop and pilot capacity building activities and the on-the-job skills development activities with government agencies, firms, and regional human resources in three pilot regions: Navoi, Tashkent (Angren), and Andijan.

---

### **Investment Description**

- Asian Development Bank (ADB)

This is a technical assistance investment through the Japan Fund for Poverty Reduction

---

### Contact Information

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
