Project Description

The additional financing will scale up the scope of the ongoing project by increasing number of schools and kindergartens by nine and the overall project will have in total 30 schools and kindergartens to be constructed and expanded and provided with the required furniture and equipment for their operations. The impact and outcome of the overall project will remain unchanged from the ongoing project. The construction and provision of furniture and equipment will be added to Output 1 of the ongoing project: Gap in enrollment capacity of schools and kindergartens narrowed, but the remaining outputs will remain unchanged.

Contact Information

"No contacts available at the time of disclosure."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
