Mongolia: Gender-Responsive Sector and Local Development Policies and Actions

Project Description

The project will support strengthening of capacity of the national gender machinery to implement the Gender Equality Law at national, aimag and soum levels through promotion of gender equality at political, legal, economic, social and cultural spheres, and family relations. One of the expected results is increased women's rights and security. Innovative gender-responsive and pro-poor planning, monitoring and evaluation (M&E;), and gender sensitive budgeting will be piloted in 3 aimags.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
