Project Description

According to ADB documents, the project preparatory technical assistance (PPTA) will assist the government to conduct feasibility study, due diligence, and safeguard assessment for the proposed ISDP II project, particularly to ensure that the bank's safeguard standard should be strictly implemented in the Issyk-Kul area. Moreover, to ensure long term financial and environmental sustainability, initial cost recovery actions and tourism development activities must be identified.

Investment Description

- Asian Development Bank (ADB)

Contact Information

Project Officer: Shen, Lu

Central and West Asia Department

No contact information provided at the time of disclosure.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
