## Project Description

According to ADB website, the TA primarily intends to (i) identify scope for the sustainable financing of additional spending on social protection; and (ii) build the capacity of selected DMCs in creating strategic plan to finance social protection programs to achieve SDGs targets on social protection, including contributing to policy and programs development of social protection in DMCs; and (iii) identify potential investment opportunities and sources of funding that they can tap. In addition, the TA will generate a body of knowledge that will be of wide interest to policymakers, program practitioners and researchers on financing social protection in Asia and the Pacific.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
