## Project Description

According to the bank website, an arterial highway network supporting economic development, regional economic growth, and international industrial competitiveness in a way that is safe, environmentally-friendly and efficient is established (Master Plan for Arterial Road Network Development in Myanmar).

Output: New Bago-Kyaikto highway constructed, Rural access roads completed, and Capacity of MOC enhanced.

## Investment Description

- Asian Development Bank (ADB)

### Contact Information

Ministry of Construction

Department of Highways Office Building No. 11 Naypyitaw, Myanmar

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
